MERIT COMMONSPACE

## Massive Design

**project** Ghelamco Arena, Ghent, Belgium.

**standout** Throughout a sports stadium, ceiling modules are soccer-ball pentagons, and LED lighting is the signature color of the local soccer team.

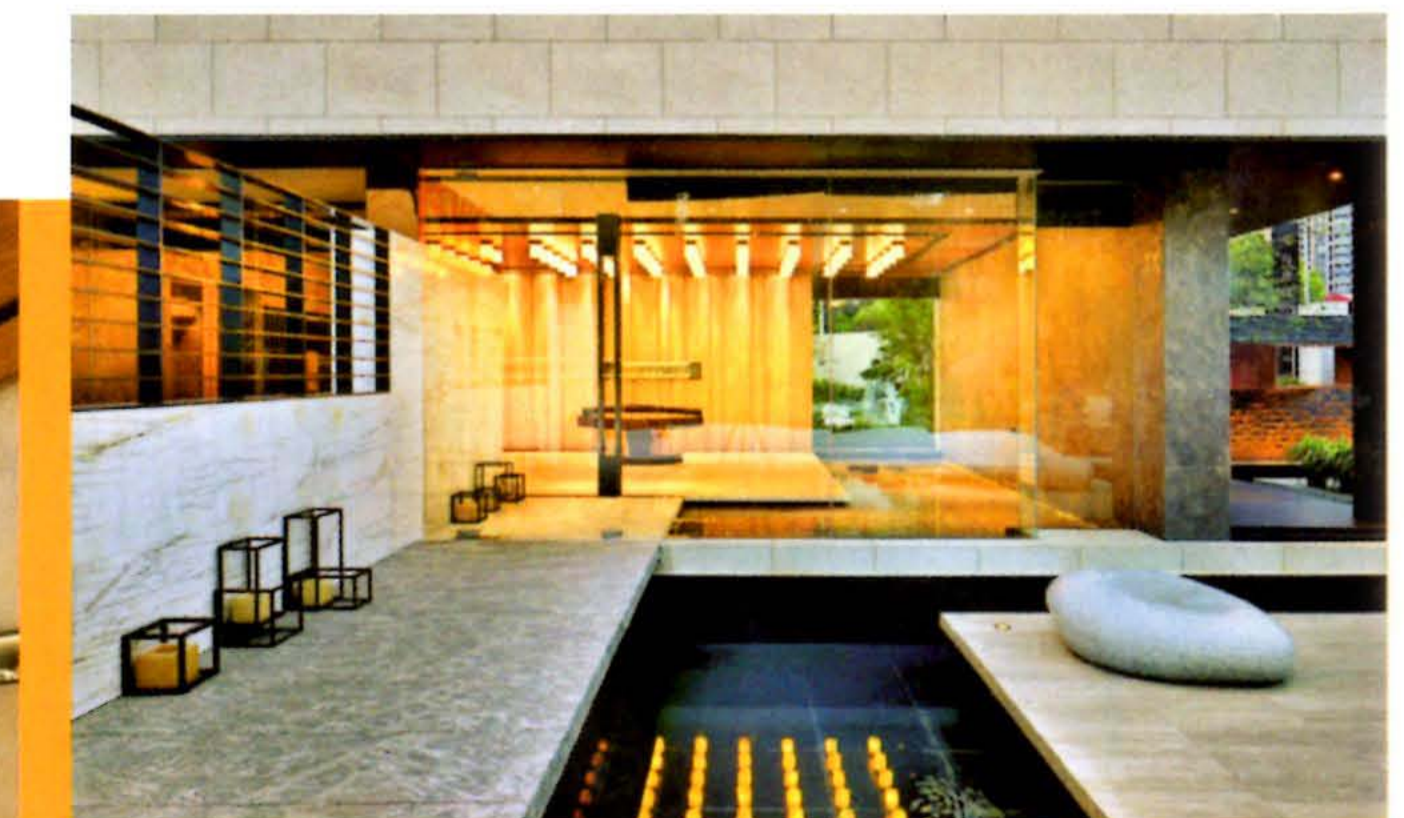

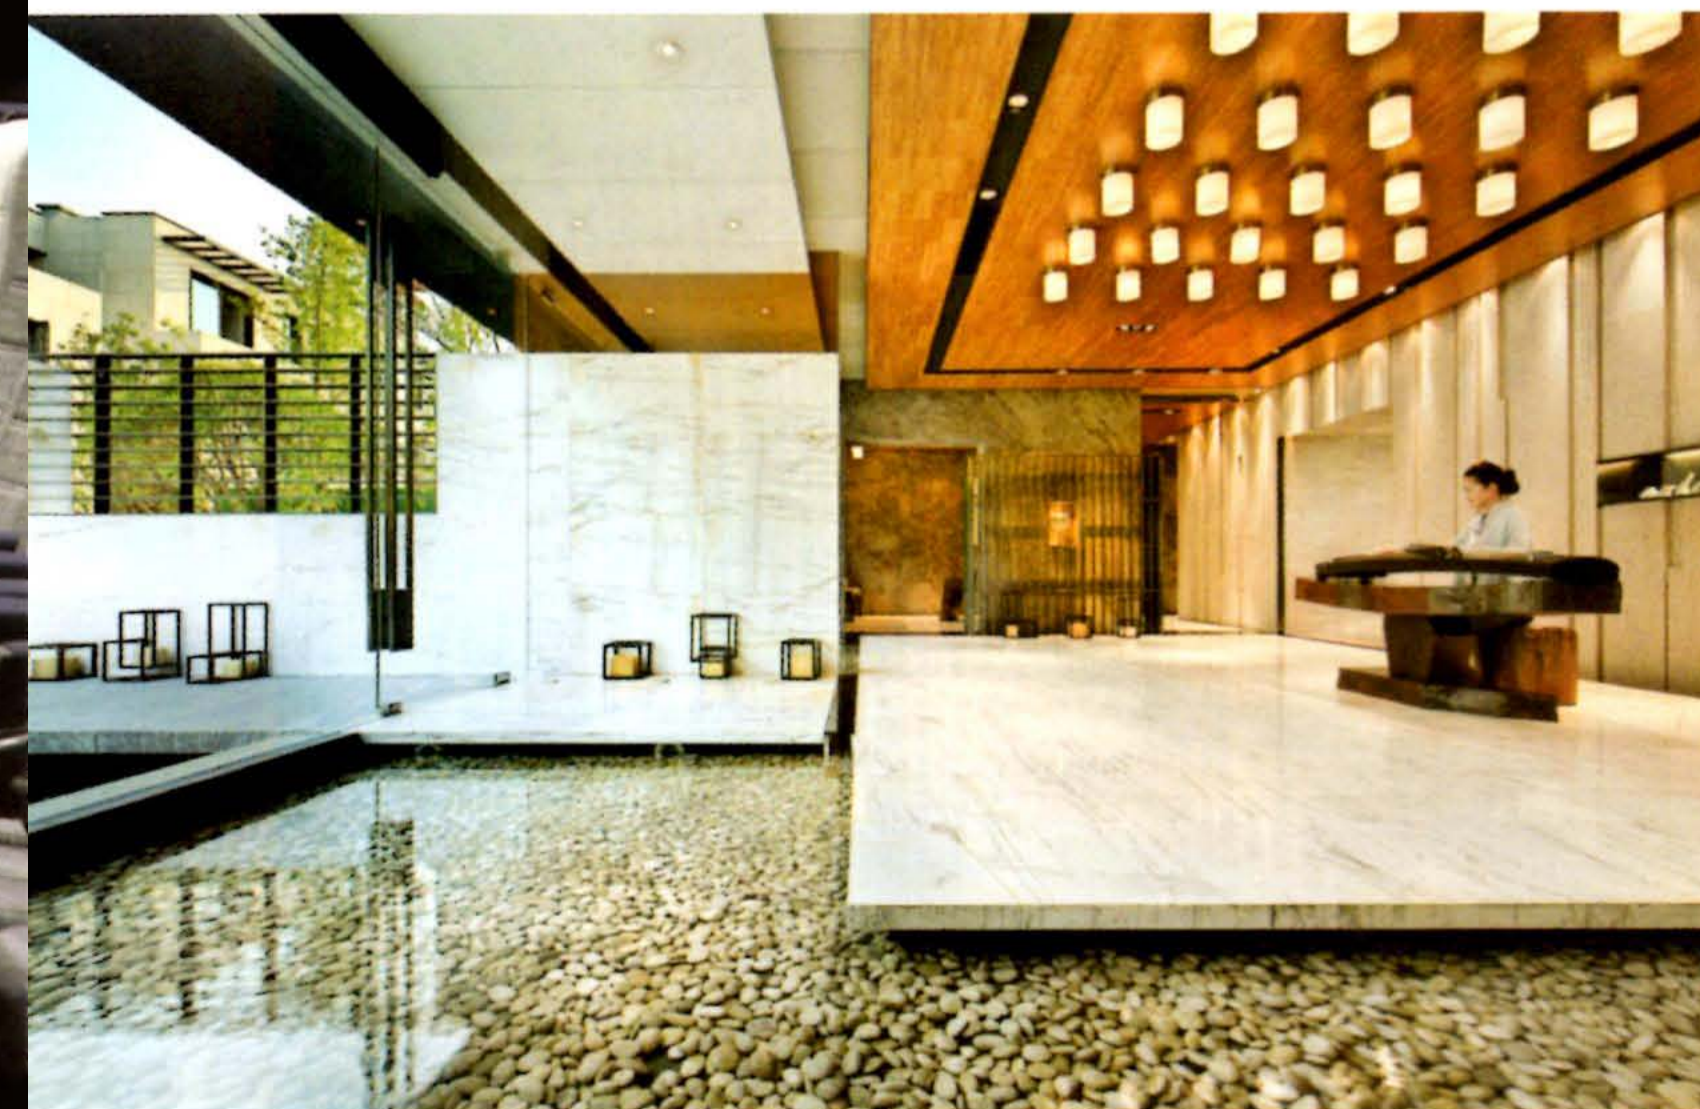

## Janson Goldstein

**project** 1200 New Hampshire, Washington.

**standout** Renewing a 1970's office lobby meant adding a double-height box in glass, both fritted and clear, and cladding a side-wall in bronze.

## Kris Lin Interior Design

**project** Unlimited Boundary, Infinite Vision, Hangzhou, China.

**standout** Fronting the lobby of an office building, frameless glass allows visual connections between the reflecting pools and marble slabs indoors and out.
