▲ ECOLOGICAL FITTINGS IN RIVIERA

Oras ecological fittings have been installed in the toilets of the Riviera shopping centre in Gdynia owned by Mayland Real Estate. Electronic mixer taps from the Electra range now feature in the newly-opened mall. Oras Electra shuts off the stream of water within one second of moving your hand away from the tap.

▲ NEW LIGHT CAST ONTO TWIERDZA KŁODZKO

The Twierdza Kłodzko fortress has been fitted with an illumination system from Osram based on LED technology. The lighting of the fortress includes oblong Nano Liner Allegro fittings with high luminous efficacy, as well as WallWasher Shield XB RGB light fittings, which can emit almost any shade of light colour. Changes to the illumination of the fortress can be pre-programmed.

◀ POLISH INTERIORS FOR A BELGIAN STADIUM

A stadium in the Belgian town of Ghent, which was developed by Ghelamco last year, has won the Interiors Award prize in the sports category. The interiors of the sports venue are the creation of Polish interior designer Przemysław Stopa, the founder of the Massive Design architectural studio. Construction work on a hotel close to the stadium was launched in 2013 and a shopping centre is also planned. Two office buildings should be completed this year.

▲ YEALINK TELEPHONE COMES TO MARKET

Yealink's latest IP telephone has been launched on the Polish market. The telephone offers two Gigabit Ethernet ports and supports Bluetooth via USB. The telephone has an elegant form with a metallic surface. It also offers a wide range of additional functions such as an XML viewer, call forwarding and three-way conference calls.

▼ LOVE ON THE TILES

Ceramstic has launched its Loft collection of tiles. The line reproduces the exact structure and colour of concrete but with added elements that break up the austerity of the tiles. The collection includes ranges that feature slogans such as: beauty, love and magic.
